Thank you for your interest in placement with the Town of Truro Senior Municipal Service Program. Under this program, participating taxpayers work in exchange for a reduction in their real estate tax bill. Please read the following guidelines and requirement carefully.

### Program Guidelines

- Applications will be accepted beginning on June 1.
- All participants must reapply to the program annually. (This includes returning participants as well.)
- Amount earned will be applied directly as a real estate tax reduction to your Truro real estate tax bill.
- Participants will receive credit for their services at an hourly rate of \$14.25, the maximum allowable by state guidelines.
- The maximum real estate tax reduction tax payers may earn is \$1000.00 (by working 70 hours) per fiscal year per household; the minimum real estate tax reduction is \$500.00 (by working 35 hours).
- After a Department Head has had someone in the same position for two successive years, the Department Head will be required to review the total list of applicants and is encouraged to provide opportunities for others to participate in the program. This is not mandatory and Department Heads can still pick the most appropriate person for the job.
- As of this year, first consideration will be given to those applicants who qualify for Clause 41C. Again, this is not mandatory.

### Senior Municipal Service Program - General Information

#### **Selection Process:**

Although there are no income restrictions to participate in the program, qualified applicants with demonstrated financial need will receive priority placement status.

A review committee will be created to review the applications and available positions to determine suitable matches.

Applicant will meet with the Program Coordinator and the Department Head to determine their skill level and experience to meet the criteria set forth in the available positions.

After the meeting, the applicant will be notified by the Program Coordinator as to the outcome of the meeting.

If accepted by the Department Head, the applicant will be sent a letter of confirmation and a start date. If not approved, the applicant will be told the reason why and the Program Coordinator will try to match the applicant with an appropriate position.

Applicants will have the right to refuse a placement. **When possible**, each applicant will be granted up to two (2) meetings for two (2) different positions, based on their qualifications. If either of the two (2) positions is not acceptable to the applicant, there is no guarantee of another position being made available for that year.
